# PATAGONIA: CONSERVATION EXPERIENCE

**12-16** DAYS

**TUITION**

\$3000 - \$4400\*

**GRADES**

9TH - 12TH

**SEASON**

U.S. Winter/Spring

**20** COMMUNITY SERVICE HOURS

Venture to some of the world's most intriguing and undiscovered regions, ranging from the jagged spires to the turquoise waters of Chilean Patagonia. Working on invasive species removal and fire prevention in the National Park, we understand important conservation issues for public lands. Teaching English lessons to high schoolers in southern Patagonia while living with a local family, we immerse ourselves in the local community and make meaningful connections. Trekking for five days through the towering peaks and glacial lakes of the famous Torres del Paine National Park, we are awe-struck by the beauty of Patagonia's natural landscape. After experiencing one of the world's most fascinating, and stunningly beautiful regions, we return to the U.S. with broader perspectives and a newfound passion to learn.

## PROGRAM HIGHLIGHTS

- **Work on Invasive Species Removal and Wildfire Rehabilitation in Southern Patagonia**
- **Conduct Conversational English Instruction for Eager School Children**
- **Embark on a Multi-Day Trek through the Shadows of the Towering Peaks and Glaciers of Torres del Paine**
- **Understand Authentic Chilean Life through a Group Homestay**
- **Volunteer with an NGO Working on Important Conservation Issues in the National Park**
- **Discover a Landscape That Has Inspired Travelers for Centuries**
